

Important Convention Information

In an effort to decrease wait time while checking in at the event, name badges will be used as tickets. Independent Business Owners (IBO's) will be responsible for printing their own badges/tickets and bringing it to the event. Just as if you were attending a concert or sporting event, you will need to have your badge and some form of identification out and ready upon entering the building.

Steps to Confirm Your Registration and Print Your Badge:

- Login to your back office (myacn.acninc.com).
- Click on the Events tab and click on Confirm Registration under the North America section.
- Print Registration Ticket next to your name.
- Print it out and bring it with you to the event along with your Photo Identification.

Important Reminders:

- The name used when registering must match the name on the photo ID.
- If you have registered other ACN IBO's, you must include their IBO ID in the IBO ID box. This will allow them to find their registration and print their own ticket
- If you have registered guests that are not ACN IBO's, you must print their badges and distribute them.
- Bring several journals /notebooks/ notepads to take notes on throughout the event
- Bring a handheld audio recorder so you can record some training and perhaps download it on to your computer / burn it onto a CD.
- Write down your goals; re-establish your "why"

At the event:

- You must have a photo ID, and it must match your badge/ticket
- DRESS CODE: BUSINESS ATTIRE is required throughout the event.
- Use of video recording equipment is prohibited at all ACN events.
Representatives found with video recording equipment risk confiscation of the equipment until the end of the event.
